About Us

At **EFG Promotional Products**, we believe in the power of promotional merchandise to make a positive impact. As a leading provider of eco-friendly promotional products, we are dedicated to helping businesses promote their brands sustainably. Our mission is to offer high-quality, environmentally friendly promotional products and gifts.

We understand the importance of sustainability in today's world. That's why our range includes eco-friendly promotional items made from recycled, biodegradable, and reusable materials. Whether you're looking for environmentally friendly promotional products for a trade show, eco friendly promotional merchandise for a marketing campaign, or environmentally friendly corporate gifts for your clients, we've got you covered.

However, please note that some items on our website may not fully meet eco-friendly criteria due to specific client demands. We are actively seeking greener alternatives and are committed to replacing these non-eco friendly items with more sustainable options as soon as they become available.

Wide Range of Products

From eco friendly promotional items to environmentally friendly corporate gifts, we offer a diverse array of options to suit any occasion.

Custom Branding

High-quality, long lasting printing techniques ensure your brand stands out while staying true to its values.

Sustainable & Reusable Materials

Majority of our products are made from recycled, biodegradable, and reusable materials, ensuring minimal environmental impact*. ***Note: You may come across products that are not eco friendly or not made from sustainable materials. These products are listed based on our current client's request. As soon as we find an environmentally friendly alternative for it, we will delist these items.***

Frequently asked questions

How do I place an order?

Placing an order is easy! You can browse our website, select the products you're interested in, and submit an enquiry. After receiving your enquiry we will get back to you with a quote within 2-4 hours. If you need assistance, our customer service team is here to help.
